CALL FOR ARTIST SUBMISSIONS

Selectors: George Barber and Matt Davenport

BACKGROUND

Fermynwoods Contemporary Art is an independent arts organisation that works with artists and audiences to develop a programme that explores and reflects on issues relating to art and ecology, to enhance understanding and engagement with our rural and urban environments. This is achieved through artist residencies and commissions, site-specific installations and participatory events that take place in public spaces across Northamptonshire and beyond, in collaboration with regional, national and international partners.

Last November, Fermynwoods Contemporary Art launched its first open submission online exhibition, which has been viewed by approx 4,000 people to date. Please see www.fermynwoods.co.uk/current-programme/open-online.
